There are 3 courses offered during the VI ENDO WEEK:

- October 19 - [Complex Endovascular Aortic Repair \(BREVAR, FEVAR\)](#)
- October 20 - [Endovascular Peripheral Interventions](#)
- October 21 - [Vascular Embolization Course](#)

Complex endovascular aortic repair (BREVAR, FEVAR)

This 1-day interdisciplinary course is designed to teach practical skills in endovascular treatment of complex aortic pathologies. The attendees can practice endovascular techniques in small groups on dedicated virtual simulators. The main focus is lying on different techniques, devices and the decision-making process. For the simulator training sessions experienced tutors are available. The course is aimed for advanced vascular surgeons.

Course content

- To learn indications for treatment in complex aortic disease and the scientific evidence
- To learn endovascular materials and tools
- To learn the workflow of FEVAR and BREVAR in complex aortic disease
- To learn different techniques in special situations
- To learn complication management and follow-up of patients
- To practice on sizing software
- To practice on virtual training simulators

Program

- 08.45-09.00 Registration
- 09.00-09.15 Welcome, Introduction, course targets
- 09.15-09.45 Indication for treatment, decision-making process, scientific evidence
- 09.45-10.15 Knowledge of materials and tools; stentgrafts and bridging stents
- 10.15-10.45 Break
- 10.45-11.15 Demonstration of sizing software; Case discussions (case in the box)
- 11.15-11.45 Workflow of FEVAR and BREVAR
- 11.45-12.30 Complication management and follow-up of patients
- 12.30-13.15 Lunch
- 13.15-16.45 Practical exercises on training simulators and case discussions in four groups – rotation (45 min per station, one tutor each station, depending on number of participants):
Station 1: simulation training 1
Station 2: simulation training 2
- 14.45-15.15 Break
- Station 3: case discussions, case in the box
Station 4: case discussions, case in the box
- 17.00-17.30 Discussion, Feedback session
- 17.30 End of course

Target Group

Vascular surgeons
Interventional Angiologists and Radiologists

Language

English

Course Director/Tutors

Course Director: Silvan Jungi, Berne
Tutors: Sébastien Déglise, Lausanne
Maani Hakimi, Lucerne
Edin Mujagic, Basel
