

Basic Vascular Surgery Techniques

Basel, 24 to 26 January 2027

20 CME Credits

Vascular International School AG · Stanserstrasse 111 · CH-6064 Kerns · Switzerland

01 Welcome

Dear Colleagues,

The "Basic Vascular Surgery Techniques" workshop in Basel offers a three-day course to learn basic vascular surgery techniques in theory and practice. It provides excellent hands-on experience using uniquely realistic pulsatile models to perform basic open surgical techniques, arterial repair and distal bypass surgery (20 CME credits).

This course is designed for trainees and surgeons of all specialties such as general, gastrointestinal, trauma, orthopedic, plastic, gynecology and urologic surgery, as well as junior vascular surgeons at the beginning of their specialist training. We look forward to personally welcoming you to Basel!

Prof. Dr. Jürg Schmidli

Bern, Switzerland

**Prim. Priv.-Doz. Dr. Afshin
Assadian**

Vienna, Austria

Prof. Dr. Edin Mujagic

Basel, Switzerland
