Berlin, 27-30 April

Dear Colleagues and Friends,

Join us in Berlin, 27–30 April 2027, for the International Knee Days at the historic Langenbeck-Virchow-Haus. Over four immersive days we'll bring together leading experts to explore the full spectrum of knee care:

- Sports Trauma,
- Arthroplasty,
- Orthobiology,
- Osteotomy,
- Trauma, and
- Rehabilitation.

We'll also feature Free Paper sessions and present the Berlin Bear Award.

Hosted by the International Knee Academy, the meeting promises an engaging blend of science and practical know-how—perfect for surgeons, sports physicians, therapists, and researchers committed to advancing knee surgery and rehabilitation.

Save the dates and plan your trip to one of Europe's most vibrant cities.

We look forward to welcoming you—see you in Berlin!

Thore Zantop,

Thomas Stoffels,

Tobias Jung,

Philipp von Roth,

Wolf Petersen
